Hard to find farmhouse rancher on acreage! Brand new carpet and paint inside. New septic system installed Fall of 2019. Roof 5-7 years old. Well was installed in 1999 and was tested at 30 GPM at that time. Huge shop could be something special with a little TLC. Offering elbow-room and great territorial views. Close to everything! Downtown Spokane less than a twenty minute drive. Plenty of space for those pursuing the country lifestyle, while still being close to town. As is at list price.
